### **Happy New Year!**

Mustard Tree Ministries would like to wish you a happy New Year and hopes your holidays were safe and joyful. We would like to thank everyone who donated their time, money, or resources to us this past year. Thanks to you, we were able to successfully feed hundreds of men, women, and children living on the streets and in the projects. We would also like to thank those who came out and supported us at the Holly Jolly Market back in November. We had an amazing time, and we hope to return next year.

The Sunday night service is still discontinued until further notice. We predict that the Sunday night service will be on hold for the next several months.

### **How We Are Serving**

On Wednesdays and Thursdays, we are continuing to distribute food to those on the streets and in the projects. On Wednesdays we give out 100 sack lunches along with homemade hot soup to those near the Chattanooga Community Kitchen and other parts of downtown Chattanooga. On Thursdays, we are making 200 sack lunches for children and their families living in College Hill Courts. This is a new program we started back in March when the pandemic started when we noticed there were several children not eating every day. We have really enjoyed doing this and will continue to go to College Hill Courts for as long as we can.

We are looking for volunteers on Thursday nights to help make and distribute sack lunches! We begin at 2 pm and finish up around 6 pm. Interested in helping? Please contact us by email or by phone. We would love to hear from you!

### **What's New?**

We have discontinued our clothing closet! We are unfortunately no longer taking clothes donation, but we are always accepting socks, new underwear, gloves, socks, jackets, and hats. Still have some clothes you want to get rid of? Goodwill and the Samaritan Center are still accepting donations despite the COVID pandemic. If you have any questions about donations, please feel free to contact Barry or Madeline at:

Since the pandemic has started, we have put a temporary pause in soapmaking. Luckily, we have had a lot of people interested in our soap that we are low on supply. Luckily, we will continue to start back up in the next couple months with new soap designs.

We would like to thank you again for your support! Please stay safe and email us with any questions or interest in volunteering.
